**Step 4:**  
Click "Join Meeting"

# JOIN VIA INTERNET BROWSER

## **Step 5:**

Get your microphone & camera set up like you like it but making adjustments hear.

You don't have to share you camera, and if you have a slow connection, you'll have a better call without you camera turned on. (If the button is red, the camera is off)

Once the meeting starts, please mute your computer when not speaking.

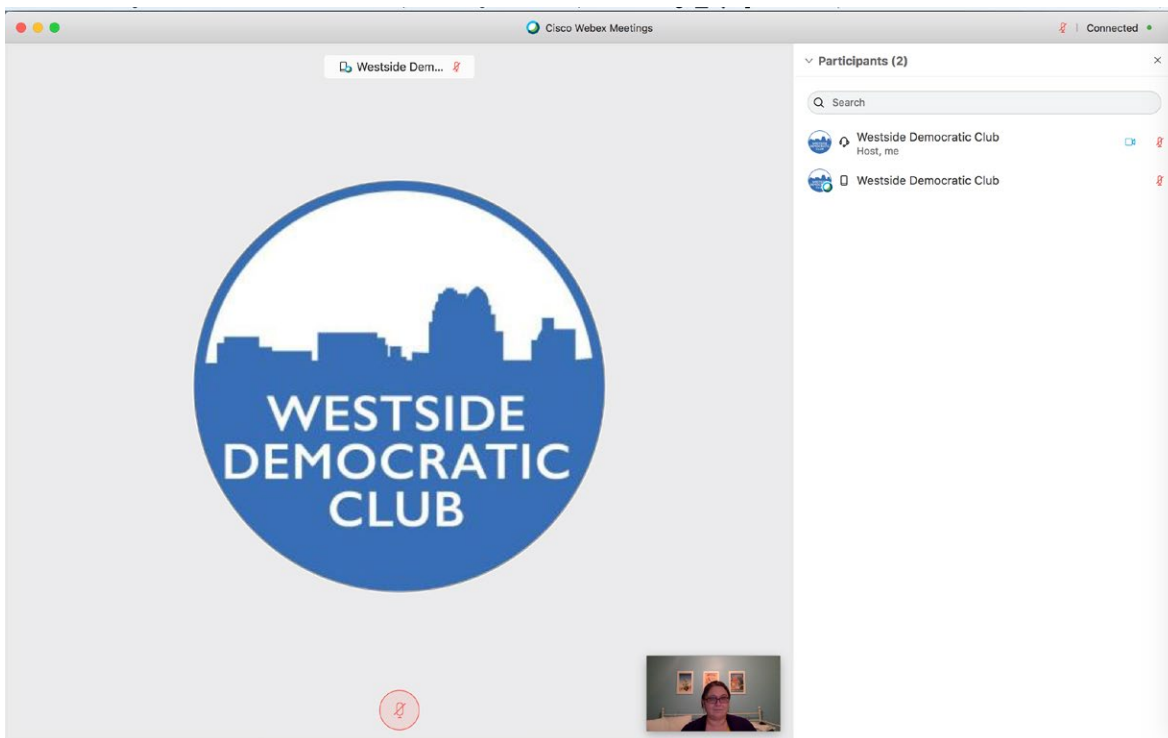

If you have a slow Internet connection you may what to call in on your phone, click in the middle to get the dial in number.

When you're happy with your settings, click "Join Meeting"

Microphone

Camera

## **Step 6:**

Your in the meeting!  
Success, this whole process should only take a minute or two.
